## **Amendments to the Specification:**

Please replace the paragraph beginning on page 8, line 17, with the following paragraph:

Thus, when multiple web pages are "realized" by combining the substantial content as defined by the corresponding subordinate web page specifications, such as specifications 206 and 208204, and the common design specified by master specification 202, a collection of web pages having a common design, the design specified by master specification 202, results.
